Washington, D.C. 20231

Sir:

This is in response to a telephone call earlier today from Rosa Thomas, during which Ms. Thomas indicated that the United States Patent and Trademark Office has lost the Amendment filed on December 14, 1998, as well as a copy of that Amendment filed on January 27, 1999, in connection with the above-identified patent application. Ms. Thomas requested that the Amendment be re-filed for a third time. Accordingly, accompanying this

transmittal is a true and correct copy of the Amendment filed on December 14, 1998 and again on January 27, 1999.

An action on the Amendment is urgently solicited. It is requested that if the action does not result in a Notice of Allowance, that the time for response be reset to run from the date of the advisory action in view of the fact that the Office lost the earlier-transmitted Amendment and copy thereof.

Respectfully submitted,

William C. Milks, III
